

Need an update on the current immunization schedule?

Do you find immunization schedules confusing at times?

Do you wish the immunization rules stayed the same?

Community Health Nursing has your answer!!!!

School Nurses

Immunization

Update

Sponsored by
Maricopa County
Community Health
Nursing

We provide immunization update classes to school nurses during their monthly nursing meeting. The classes are instructive and interactive. Participants are given useful reference materials regarding immunizations. Classes are tailored to your time needs.
